SUPERVISORS HOLD REGULAR MEETING

The Board of Supervisors met in regular session Monday, August 17, there being present William H. Brown presiding, Jas. T. Casey, John MacBain, Joseph M. Francis and D. E. Blackburn.

The minutes of the last regular meeting were read and after slight changes approved.

Curran Clark appeared before the board and stated that Sacramento and San Joaquin counties had withdrawn their donations from the Tourist Association of California. He asked that the board adopt a resolution reaffirming its previous agreement to contribute $1200 for advertising purposes, notwithstanding the action of the two counties named. A resolution to this effect was adopted on motion of MacBain, seconded by Casey.

M. F. Brown, chief of the motorcycle squad, reported as follows from August 3d to 17th:

Officer Lowans worked 14 days, no arrests.

Officer Logan worked 14 days, no arrests.

Officer Brown worked 14 days, no arrests.

Officer Vallejo worked 12 days; 2 arrests; one conviction, fine $10; one case pending.

Jas. T. O'Keefe, representing certain business interests in Visitacion Valley addressed the board, asking that steps be taken to provide a roadway for that section while the Bay Shore road was in course of construction. Supervisor Casey and Surveyor Neuman promised to interest themselves in the matter.

Maggie Castro of Redwood City was recommended for State aid in the support of her four half-orphan children, on motion of MacBain, seconded by Casey.

An agreement was received from John McKay to transfer to the county for the sum of $600, his lease interest in such portion of the property of Dora Wilson in the Fifth township as are needed for rights of way for the county road.

A similar agreement was received from Frank Ferretti and wife to transfer to the county such portion of their lease interests in the property of P. Rosaia in the First township for $15 as are needed for road purposes.

The following bids were received for constructing the road from San Gregorio to Pescadero:

Roadamito Paving Supply Company, $78,605.50.

Mahoney Bros., $76,965.

Jas. Willison, $68,311.62.

It was ordered, on motion of MacBain, seconded by Casey, that all of the bids be rejected, they being above the surveyor's estimate of $55,074.

The Blanchard Brown Company applied for an extension of 30 days within which to complete its construction work on the road from Colma to Edgemar. The extension was granted on motion of MacBain, seconded by Casey.

James Willison asked for an extension of thirty-five days on his two road-building contracts in the First township and one in the Fourth, and was granted same on motion of Casey, seconded by Francis.

The San Bruno Carnival Committee invited the board to attend a celebration at that city on September 9th in honor of the opening of the county highway between San Bruno and South San Francisco.

It was declared to be the sense of the board, on motion of Casey, seconded by Francis, that all of the members attend.

A communication was received from the Tourist Association notifying the board that an office had been opened in 900 Lytton building, Chicago, which had been placed in charge of John S. Ross who will immediately begin the work of promoting the interests of Central California by directing travel this way.

The communication was accepted and filed.

A communication was received from F. C. Roberts, city engineer of Daly City, asking the board to relinquish its jurisdiction over Railroad avenue, which would enable the board of trustees of Daly City to carry out some contemplated street improvements now under consideration.

The matter was referred to Casey for a report at a later meeting.

A communication was received from the Board of Supervisors of San Diego county, notifying the board that October 1st had been selected as a State-wide newspaper day on which every California journal will devote some space to the resources of its particular locality, the papers to be mailed by people to friends in the United States or Europe, inviting them to make their homes in this State.

The communication was ordered referred to the different county newspapers.

A communication was received from the State Board of Charities requesting that James R. Eubanks be delegated to attend a convention of county hospital superintendents, to be held in the Phelan building, San Francisco, August 25.

It was ordered, on motion of Francis, seconded by Blackburn, that Superintendent Eubanks of the county hospital be delegated to attend the convention.

A new petition signed by Frank McLellan and twenty-seven others was presented to the board by Roy Curran, asking that a highway lighting district be established at Beresford in the Second township.

Roy Curran appeared on behalf of the petitioners while N. E. Eisner appeared for the opponents.

The petition was accepted and the hearing continued until afternoon.

Plans and specifications presented by the Surveyor were approved by the board for the improvement of the automobile boulevard from the San Francisco county line to Mission Road in Colma. Two sets of specifications were adopted, one for oil macadam and an asphaltic top of Topeka type on a macadam base. The clerk was directed to advertise for bids for each.

Plans and specifications were also adopted for grading, paving and culverts on the Redwood City to San Gregorio road from Woodruff creek to the first crossing of San Gregorio creek, and also for grading, paving and culverts on the Halfmoon Bay to San Gregorio road from Halfmoon Bay to Tunitas. Bids will be received for this work.

The Surveyor also presented plans and specifications for the following work:

For right of way fences on the Colma to Halfmoon Bay road on San Pedro mountain.

For right of way fences on the Redwood City to San Gregorio road through the Folger place.

For two reinforced concrete bridges over La Honda creek on the Redwood City to San Gregorio road.

For reinforced concrete culvert at Moss Beach.

For a change of line through the Shore Line Investment Company on the Montara to Halfmoon Bay road.

The Surveyor submitted a plan for eliminating the undergrade crossing at Holy Cross by raising the roadbed, which was accepted and ordered referred to the Railroad

JUDGE B. V. SARGENT POPULAR IN THIS COUNTY

Judge Bradley V. Sargent, candidate for the nomination as Justice of the District Court of Appeals, is well known and highly respected in this county where he has on several occasions presided in the Superior Court. His rulings and decisions have shown deep learning and excellent judicial ability. In his home county, Monterey, he is held in the highest esteem by the citizens of all parties. Judge Sargent is a native Californian and has carved out his own fortune, having been a worker since youth.

There is still time to investigate the character of R. J. Albert, the candidate for Recorder. He asks the closest inspection. You will find him every inch a gentleman, intelligent and able. The county needs such men as Albert to fill its offices.

SWART CAMPAIGN A WHIRLWIND FINISH

Franklin Swart, the popular candidate for District Attorney is giving his active campaign a whirlwind finish. Last Friday night he addressed the citizens at San Bruno; Monday night at Daly City; Tuesday night at Colma, and last night at South San Francisco. At each of those meetings he has had a crowded house and was given a most enthusiastic reception.

In District Attorney Swart the county is fortunate in possessing an able, fearless and energetic official who has done splendid work in co-operating with the authorities in the various townships in suppressing lawlessness. In communities where felony cases were most frequent four years ago the moral conditions have been vastly bettered. Previous to the administration of Franklin Swart, organized hold-ups, bunco steering, and other forms of lawlessness prevailed. All this is practically a thing of the past. In a quiet, yet effective way he has eliminated the undesirable things that flourished formerly in San Mateo county. The record of Franklin Swart is the kind that appears to the best advantage when thoroughly investigated. His integrity has never been doubted.

The career of Franklin Swart has been such as to bring him into close touch with all classes of men. He worked his way through Stanford University where he received high honors of A. B. and Juris Doctor degrees. With one minor exception he has won every civil case for San Mateo county during his administration of four years.

After a strenuous fight of some two years in the highest courts of this State, Swart succeeded in stopping the garbage, swill and hog traffic in Colma which so long had been a drawback to that section of the county. Though high-priced attorneys attempted to prolong this objectionable business, they failed in their fight against Swart, which was the people's fight for homes. In the place of garbage and hogs a community of homes and flowers now flourish in Colma, the violet industry being a most profitable one at the present time in the north end. The District Atorney has done some strenuous work in connection with the various departments of the county government. In fact he has been most generous in lending a helping hand even in cases where it was not his duty to act. He gratuitously prepared all the legal proceedings in connection with the school bond elections in San Mateo, Burlingame, Millbrae, South San Francisco, Belmont, San Pedro and other school districts.

Probably the most remarkable achievement as District Attorney has been his work in connection with the present construction of a system of highways for San Mateo county. These extensive legal proceedings were prepared in record breaking time. All who have been connected with this road work praise his wonderful activity and good judgment. Swart negotiated the sale of a large portion of the highway bonds at a substantial premium at a time when the money markets were most depressed. When other communities were unable to dispose of their bonds at a higher rate of interest, Swart succeeded in selling batch after batch of county bonds, thus enabling this community to build a large percentage of these roads before 1915. The county is now in the midst of road construction in which the legal work is most intricate. Swart is familiar with every detail of this work. Under these circumstances alone, it would be the height of folly and poor judgment to change the district attorney who has saved the county money and has done faithful work at all times.

CITY OFFICIAL PAPER

D. E. O'KEEFE, Editor and Proprietor

For U. S. Senator,
SAMUEL M. SHORTRIDGE.

For Governor,
JOHN D. FREDERICKS.

Samuel M. Shortridge will take his seat in the United States Senate nex March. There is no doubt about it Vote for him.

Tax Collector A. McSweeney has made a faithful, honest and capable official. Retain him in his position by casting your ballot for him next Tuesday.

The Recorder's office of this county is one of the best conducted of any in the state. Vote for H. O. Heiner and help keep a capable man in office.

If efficient and faithful service count for anything Assessor C. D. Hayward will be given a substantial majority at the primaries. His work has always met with public approval.

James V. Neuman has started the good roads system in the ounty. Let him finish the task by reelecting him ounty surveyor for another term.

Jos. H. Nash, the geniale ounty clerk, and Roy W. Cloud, the popular and efficient superintendent of schools, have no opposition. They need not worry over the returns when they pour in next Tuesday night. Others will do that.

Kenneth M. Green, the nominee for district attorney, has made a splendid canvass for the office and will receive a large vote. His many friends are very sanguine of his election and are leaving no stones unturned to bring about this result. His friends are legion throughout the county.

The usual cowardly, scurrilous attack, on the eve of election, has made its appearance. It is not worth noticing. It is only the raving of a desperate man who realizes that his defeat is certain. Suh methods have been tried before in this ounty and have invariably been rebuked by the voters.

John D. Fredericks has always stood for decency, for purity and for good government. Beyond and above all John D. Fredericks has been a Republican, broad gauged, steadfast and loyal to the principles of Republicanism. Back a winner and cast your vote for governor for John D. Fredericks.

John Douglas Murphey, Judge of Mono county, is worthy of your support for Associate Justice of the Supreme Court. Judge Murphey is an unassuming, plain, every-day citizen but he has had experience in every sort of practice. You won't vote wrong if you vote for John D. Murphey.

Dr. H. G. Plymire, the popular candidate for coroner and public administrator, will be selected by the largest vote given a candidate for office in this county. This is as it should be, for he has been a faithful public servant, painstaking, honest and efficient and capable in the performance of his duties. A vote for him therefore is a vote to retain an honest man in office.

P. P. Chamberlain has carefully guarded the cash of San Mateo ounty for the past thirty-two years, always accounting for every cent entrusted to his care by the tax payers. He has done so well that he is going to be kept on the job. Next Tuesday the voters will endorse his course by giving him an overwhelming vote. "Vote for Chamberlain for treasurer," is heard on all sides. It is believed his majority will reach the 2000 mark.

Charles D. Swan of Modesto is the man for whom we shall vote for the Republican nomination for State Treasurer. Mr. Swan is president of the Union Savings Bank of Modesto and is in every way qualified to handle the money of the State of California. If all of the people of the State knew Charles D. Swan as do his neighbors in Modseto there is no question but that every vote cast would be forhim. Charles D. Swan is a big, efficient, honorable, home-loving Republican. Vote for him for State Treasurer.

Judge James Hannon stands squarely on his record as former justice of the peace of the Third township for election. Undoubtedly he made the best justice this township has ever had. His opinions were always accepted by the local bar as sound and just, and very few appeals were taken from his decisions. Mr. Hannon is an honest, just and capable man, one in whom the people have confidence and he should be elected by an overwhelming vote. His past record alone should be a sufficient guaranteee of his future course on the bench, should he be elected.

Christian Science Services.

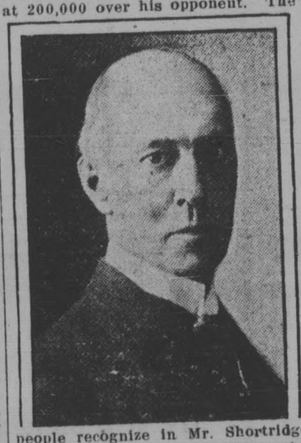
Christian Science Society, Woomans' Club House, Services Sunday, 11 A M. Subject "Mind". Sunday school 9:45 a.m. Weekly testimonia meeting Wednesday evening at 8 o'clock. Public cordially invited.

POPE PIUS X.

The whole world was plunged into grief Thursday morning by announcement of the death of Pope Pius X, at Rome. Though an invalid for several years, the final and fatal illness came upon him rather suddenly and the announcement of his death was unexpected. Problems, momentous and of world-wide interest, characterized the reign of Pius X. The work of his Pontificate may be summarized in this: He strove to and largely succeeded in re-establishing the Christ-ideal throughout the Church and forced the world to recognize the Catholic Church as the great bulwark against advancing paganism, radical socialism, and anarchy. In its own loss the world will sympathize with the Catholic Church in her great loss in the death of her Holy Head Pope Pius X.

Shortridge Confident of Success.

Samuel M. Shortridge, the Republican candidate for United States Senate, returned yesterday from a tour of the Southern part of California and the San Joaquin Valley. He feels certain that he will receive the nomination. There is no doubt but that he will receive nothing short of an ovation from all parts of the state next Tuesday. Mr. Shortridge will sweep the State from end to end, His most enthusiastic friends are placing his plurality at 200,000 over his opponent. The



people recognize in Mr. Shortridge the type of American citizen who stands for the best principles of the Republican party, a man who is familiar with the wants and needs of the people of our state, and a man whose brilliant attainments as a lawyer, an orator and a statesman will make him a shining light in the senate of the United States, and of whom the people of our state irrespective of party affiliations, can justly be proud.

Has Done His Whole Duty.

W. H. Brown, the popular chairman of the board of supervisors, deserves well at the hands of the people of the Second township. He has merited re-election by the faithful performance of duty during the four years of his incumbency. The roads in Brown's district are in splendid condition, they are a credit to the taxpayers and residents of the township. Mr. Brown has made a fair and impartial chairman, being always considerate to those having business before the board. Everyone is given a hearing, be he rich or poor. The plebian is given the same consideration that is accorded the man of wealth and influence. While always alert to the interests of his own township, Mr. Brown has been absolutely fair to the other members of the board, granting whatever request they may make. We would advise the voters of the Second township to re-elect Mr. Brown, it will be to their interest to do so, Keep a faithful public servant in office. Why change?

Experience a Valuable Asset

It is particularly important that at the next session of the Legislature San Mateo county should be represented in the Assembly by some one who is not only a hard worker, but one who is experienced in the methods of that branch of the law making body of the state. For this reason it is best that Assemblyman Henry Ward

Brown should be returned for another term. That Mr. Brown is a hard and conscientious worker in the interest of his constituents has been amply demonstrated in the past. His experience during the several terms which he has served in the Assembly will be of invaluable advantage in securing such legislation as will be of local value. His record is ample proof that the interests of both the county and the state will be safe in his hands. Mr. Brown should be given a substantial endorsement at the primary election.

Vote for A. J. Cloud for state superintendent of public instruction. Archibald Jeter Cloud was born in Santa Cruz, our next door neighbor, so far as counties go. He worked hard and has made progress as an eduator. He has been an exponent of clean athletics in high schools of California. He has made good as a teacher and as an administrative officer. Mr. Cloud will work with all others who have the best interests of he schools at heart to put our schools on the highest plane of efficiency. Vote for A. J. Cloud.

Not a Sectional Candidate.

John D. Fredericks will be the next governor of California. The citizens of his home town, Los Angeles, will give him such a welcome home this evening as no other man has ever received in California. He is not a sectional candidate. He will be the choice of the Republicans of California, not of Southern California, not of Northern California, but of the State of California. The beams of the star of destiny are all on John D. Fredericks. Any man can vote for him andknow that he is voting for an honest man. John D. Fredericks has served his county well for twelve years as district attorney. Before that he answered his country's call and enlisted as a soldier in the Spanish-American war and rose to the rank of Captain and in that short war that was some record.

Needed to Help Finish Roads.

All of the preliminary surveys connected with our good roads work in this county have been completed and most of the surveys have been fully finished under the personal direction of our County Engineer, James V. Neuman. The actual building of some sections of these roads has now been completed and the character of thework is there to show for itself. Mr. Neuman is thoroughly acquainted with all of this work both in the office and in the field. He has now had a lot of experience in this work right here in the county. He knows the best materials for use in the various parts of the work. He knows fully the present conditions of the work and the things that must be done to carry the building of these roads forward to completion at the earliest possible date.

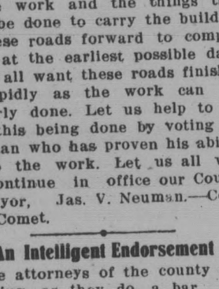
We all want these roads finished as rapidly as the work can be properly done. Let us help to insure this being done by voting for the man who has proven his ability to do the work. Let us all vote to continue in office our County Surveyor, Jas. V. Neuman.—Coast side Comet.

An Intelligent Endorsement

The attorneys of the county constituting, as they do, a bar association, have unanimously endorsed Judge Buck for the Superior Bench. Their endorsement should be followed by the lay man, as these attorneys are more capable of judging the merits of the Judge before whom they practice than the layman, and that they are satisfied with him, there is no reason why the rest of us shouldn't be also satisfied. This paper at the opening of the campain also endorsed Judge Buck, and we have advised our readers to support him. There is nothing political in the office, and it has been declared nonpartisan, so on next Tuesday the Times-Gazette would advise all the citizens of the county to re-elect Judge Buck.

A Business Administration

County Recorder Heiner certainly has reason to be proud of the record made by his office during the term of his incumbency. Not only has the work of the office been conducted with the strictest economy in the way of operating expenses, but the work has been so systemized that the business is dispatched with more than ordinary rapidity. A comparison of the



work of his office with that of other counties of the state makes a favorable comparison, the work of recording documents having been accomplished in much less time than that of any other county in the state. It would be poor business policy to dispense with the services of a man who has amply demonstrated his fitness for the position which he occupies and for this reason County Recorder Heiner is certainly entitled to the vote of every citizen who believes in the acknowledgement of faithful service.

A Humane Official.

M. H. Walsh is one of the men who has made good in office. During his four years as constable of the Third township, no complaint has been made against him. He has performed his duty faithfully, fearlessly and well and deserves re-election. It is conceded that he has made the most efficient onstable that the township has ever had, even his most bitter enemies admit this. Mr. Walsh has been firm in the performance of his duty, yet he has tempered justice with mercy in many cases. When the infraction of the law was slight, he has often taken the offender home instead of to jail. The voters of the Third township will do well to retain Mr. Walsh in office and should give him a big vote at the election Tuesday.

Proud of His Record.

M. Sheehan, the candidate for the office of sheriff, has been constable of the Second township for the past twelve years and probation officer of the county for a long time. The splendid record made by him in those positions is well known and on that record he intends to win the coveted prize. Everywhere Mr. Sheehan's frineds are working like Trogans for his election and they predict he will lead when the votes are counted next Tuesday evening.

Editor Times-Gazette:

Dear Sir—I cannot allow the Primary Election to pass without complimenting you on your recent utterances concerning the candidacy of Judge Buck. That the old rock-ribbed county journal of Republicanism would sweep aside partisanship in its advocacy of men for office may to some seem remarkable; but it only goes to prove that Republicanism and good judgment are closely related. We Republicans are all back of Judge Buck. We know him; he has been our neighbor for years and as Judge of the Superior Court he has served his people well. If he had not he would not have filled that exalted position for so many years. Would it be wise now to exchange him for a stranger, in the midst of his usefulness? Common sense tells us no. So this year we will return Judge Buck to office, not because he is or is not of our party but because he is an able, impartial Judge who will give us simple justice when we ask for it. No man can give more. Again complimenting you and thanking you for your consideration, I beg to remain,

Yours very respectfully,
WM. F. TURNBULL.

Editor Times-Gazette:

Dear Sir—To correct a false report that has been circulated that I am opposed to the election of the Hon. G. H. Buck, Superior Judge of San Mateo county, I adopt this means of stating emphatically that I intend to vote for Judge Buck and do all that lies in my power to influence my friends to do likewise, as I fully appreciate the service that his Honor has rendered San Mateo county. Yours truly,
BEN P. G. SMITH.

Under No Obligations

Kenneth M. Green, the candidate for district attorney, is confident of success at the polls next Tuesday. He has made a thorough canvass of the county, meeting almost every voter and making a strong argument for their sufrage. Mr. Green is a young man of ability with a good legal mind well stored with knowledge of the law. If elected he will perform his duties with ability and without favor to any one. He has no enemies to punish or friends to reward. Mr. Green will enter office with a free hand to discharge the duties of the position to the best of his ability.

Things Look Encouraging.

W. H. Underhill, who is seeking re-election for the office of auditor, is receiving encouragement from all parts of the county and from present indications he will receive a large vote. He is especially strong in San Mateo and Burlingame. In those places his vote will be pronounced. Mr. Underhill has not been able to see all the voters but has communicated with them. Mr. Underhill has held the office for the past nine years, during which time he has given general satisfaction.

OUT-OF-TOWN TAXPAYERS STRONG FOR McSWEENEY

Says the Burlingame Advance: Burlingame with the other communities of this county is indebted to Ambrose McSweeney, county tax collector, as being the first tax collector to go to the people at tax collecting time. He spends a day in this city every year to accommodate the people in the payment of their taxes. A man whose efficiency in office has been so highly commended by every grand jury during his term deserves to be returned to office. He has devoted all of his time for four years to the office and can inveriably be found at his desk in the courthouse during office hours. His devotion to his public duty and the efficient manner in which he has handled public matters will return him to the place at the primaries with a large vote to spare.

Marriage Licenses Issued.

William H. Altmansberger, aged 32 and Cora Wilson, aged 32, both of San Francisco.

Henry Baer, aged 27, Redwood City and Mabel A. Edsberg, aged 18, San Mateo.

George E. Dunn, aged 33, Moss Beach and Amelia Schindler, aged 23, Woodland, Yolo county.

Baldwin Gets Strong Endorsements

Says the Santa Ana Blade, speaking editorially: "Hugh J. Baldwin, an educator of unquestioned ability, is a candidate for state superintendent of public instruction. As teacher and county superintendent of schools Baldwin has made good in every respect and should he be chosen as state superintendent of schools the office would be in safe hands. He is a straightforward, square man and may be depended upon to do the right thing. That ought to be good material for state superintendent of schools."
Advt.

WOULD TEMPER JUSTICE WITH MERCY

In a masterly address delivered before the State Convention of District Attorneys recently, Captain John D. Fredericks, republican candidate for Governer, revealed the humane trend of his legal training, and made it evident that his sixteen years of service in the district attorney's office of Los Angeles County had moderated, rather than hardened. his disposition towards offenders of the law. Captain Fredericks holds that so long as a man is a free agent, punishment must be a part of the treatment for crime. He is equally convinced that it is the certainty of punishment, rather than its serverity, in all but exceptional case, which brings the best results. He is also convinced that the culprit seldom appreciates leniency until he has a sufficient measure of punishment to appreciate its sting. For this reason he is a firm believer in a just and reasonable application of the probation and parole systems,

BELMONT NOTES.

A singular coincidence of this campaign is that W. C. Ralston, the candidate for governor, was born in Belmont and S. F. Ellison, the candidate for state treasurer was also born here. James Ellison, the father of the aspirant for treasurer, was the foreman for the elder Ralston here in his palmy days. Truly time performs wonders.

Skating seems to be the chief diversion among our younger set at present—in fact even some of the older ones are not at all backward in getting a skate on, and new recruits are steadily joining the ranks.

Dear Sir:—Coming up on the train today I observed your sign on a tree, indicating your candidacy for re-election to the office of Sheriff.

I take great pleasure in voluntarily writing to you, to sincerely state that I hope and trust that you will retain this office. Very respectfully yours,

Commission.

A map of Laurel Terrace in the Second district was presented for record and the same was accepted by resolution on motion of Blackburn, seconded by Francis, all of the streets and avenues being rejected excepting Eaton avenue.

School Superintendent Cloud reported that Fairview Joint School district, a portion of which is in San Mateo county, did not have an average daily attendance of five pupils during last year and had been suspended by Santa Cruz county, under whose jurisdiction the district is conducted.

The petition for a lighting district at Beresford was taken up.

R. E. Callahan was sworn and testified that all of the signers to the petition were citizens and taxpayers.

G. D. Ferrell, the District Attorney's assistant, was called in and defined a taxpayer as one whose name appears on the last assessmen roll.

The petition was accepted and a resolution adopted by vote of all of the members excepting MacBain, fixing September 11th as the date on which the matter will be voted on by the citizens of Beresford.

On motion of Casey, seconded by Brown, Jane Luling of Daly City was recommended for State aid in the support of her two half-orphan children.

R. P. Bowie, a member of the County Exposition Commission addressed the board in reference to the county's proposed exhibit at the 1915 exposition in San Francisco and read the following items that will comprise the exhibit, and their cost:

In addition to the foregoing items it is proposed to have an automobile service through the county for sight-seers which would cost about $20,000, which amount is not provided.

Mr. Bowie was assured that this year's tax rate would supply enough money to make the exhibit all that was desired by the commission.

It was ordered on motion of MacBain, seconded by Brown, that the State Highway Commission be cited to appear before the board at a meeting to be held August 27th, and explain why it had failed to complete the State Highway in this county as it had promised, the money for which having been provided by the board.

INDICATIONS POINT CHATHAM'S SUCCESS

Friends of Former Sheriff Rally With Enthusiasm to His Support

Robert S. Chatham has made a whirlwnd campaign for the sheriff's office, being received with enthusiasm wherever he goes. His strnegth lies in the northern portion of the county, where he has friends working night and day for his election. Mr. Chatham has made a house to house canvass, seeing every voter and telling the people what he intends to do if successful at the polls next Tuesday. Mr. Chatham is a man of fine personal appearance, genial and affable and an ideal man for sheriff, from a physical point of view. That he has made a good impression upon the voters is evident from the reports coming from all portions of the country. From these reports it would seem that he would be the leader in Tuesday's contest.

ASSESSOR HAYWARD ASKS CONSIDERATION OF VOTERS

C. D. Hayward, County Assessor, makes the following statement:

Owing to the amount of work in the Assessor's office during the months of May, June and July, I found it impossible to meet all of the voters relative to my candidacy.

I have had years of experience as County Assessor, and for the past four years not one tax payer has appeared befor the Board of Supervisors, meeting as a Board of Equalization, for a reduction in assessment. It would therefore seem that I am well qualified to fill the office of Assessor of San Mateo county.

I have made the assessments according to the revenue laws of the State of California, which have been and are now in force.

Upon the above record I ask you consideration on August 25, 1914.

Very respectfully, C. D. Hayward, County Assessor.

Mrs. Ann Pickett died at her daughter's residence in San Mateo on Thursday at the age of 100 years. She was the mother of James S., C. H. and W. F. Mrs. Harry Weeden gave a luncheon last Saturday in honor of the fourteenth anniversary of the birth of her son Willie. About twenty persons were present, including several out-of-town guests. The function was much enjoyed by all. The young man was the recipient of numerous presents and the well-wishes of his friends.

This Saturday night will be candidates' night at the carnival-bazaar in the Hall of the Nativity. So enthusiastic are the supporters of the various candidates the voting which was scheduled for Saturday night was forced on the polling booth the opening night. The Friday issue of the Clatter, the official organ of the bazaar, announed Mr. Swart, Mr. Breau, Mr. Mansfield and Mr. Heiner as favorites thus far in the straw vote contest. Saturday night will witness the big struggle.

Bang! Bang! Boom! No, you poor stupid, half-awake, out of touch with things doing—you who were not there last night—it was no clash of foreign warships in the lower end of the bay. It was the opening of the Carnival-Bazaar at the Hall of the Nativity. And the ladies in charge had not yet recovered their breath when in the wee sma' hours, flushed with victory and weighted with bulging money-bags they were led away home by their husbands and others. Some of the ladies who, notwithstanding their very youthful appearance, claim to have been at a number of Bazaars in and around Menlo Park, tell us it was the greatest opening night they ever witnessed. More power to you, ladies! Who could resist you? Who could know you were doing things at the Hall of the Nativity and not be there to throw themselves and their fortunes at your feet?

Baldwin Stands for Practical Education

"Let the pyramid of education rest upon its base. That base is the elementary school. Since 95 per cent of our children never pass beyond the grammar grades, justice demands that the state shall devote its energies to the highest possible efficiency of the grammar schools. California must guarantee to every child a good common school education, and by that I mean an education that will prepare our boys and girls for the struggle of existence. Under this guarantee must come the proviso that no child shall lack an education because of the poverty, misfortune, or loss of its parents.

"Children are given parents to care for them until they are able to care for themselves. The schools should prepare them to care for themselves, and inasmuch as our schools do not do this they fall short of their mission."

The above utterance comes from Hugh J. Baldwin, candidate for the office of state superintendent of schools, who is making a strong fight for better conditions for the great army of children who never enter high school. [Advt.

COUNCIL ORDERS COUNTY ROAD IMPROVEMENTS

With all of the trustees present, last Monday evening's session of the city council proved to be one of more than usual interest, several matters of special public importance coming up for consideration. Chief among these being the issuance of what may be considered a final ultimatum to keepers of saloons that the city ordinances made to govern that business were made to be lived up to and were to be strictly enforced. This action was brought about by a report from Trustee Sampson, chairman of the committee on public morals that it had come to his knowledge that two of the proprietors of these places had recently been guilty of serious infractions of the law, especially in the matter of selling liquors to intoxicated men. Both of the accused were present at the meeting and practically acknowledged that the charges were true. While there seemed to be a disinclination in these cases to take over drastic acion, the universall expression of sentiment among the trustees was that a time had come to call a halt and that something more than a simple warning was demanded. After the accused had been treated to a severe lecture from all sides of the council table, it was unanimously decided that in one case a penalty for the offense committed would suffice and the offender had his license suspended for a period of 20 days, during which time he must cease to do business. In the other case the decision was that a change must be made in the management of the business, and with this end in view, the offender was notified that he need not expect to secure a renewal of his license after the expiration of the present quarter.

Another matter of public importance was the taking of final action to order the permanent improvement of those portions of he Coutnty road now paved by the county as a part of the general highway system. This will include the construction of concrete gutters and curbs and the laying of artificial stone sidewalks. In addition to this the portions of the street upon which macadam has been laid will be oiled and finished.

T. C. Rice was granted an extension of 30 days in which to complete the construction of sidewalks and scurbs in the improvement district west of the County road. An extension of two weeks was also granted the Roadomite Paving Supply Company on their contract for the paving of Whipple avenue.

A numerously signed petition asking for an extension of water mains on Roosevelt avneue was referred to the street committee and superintendent of streets to report as to the cost of the extension, which it was believed would entail a very considerable outlay.

At the request of James T. O'Keefe, attorney for the protestants, consideraion of the objections to the petition of the Pacific Gas and Electric Company for permission to erect extensive gas holders on their property on Washington street was deferred until an adjourned meeting to be held August 31st, no objection being offered by the representative of the company, who was present.

City Marshal Coleman reported that the collections of his office for the past month amounted to a toal of $2239.45.

An ordinance intended to regulate the construction and maintenance of public garages was introduced and given its first reading. The ordinance would require the securing of a permit from the council for the maintenance of a place of business of this character.

The usual ordinance determining the annual financial budget, preparatory to fixing the tax levy for the coming fiscal year was introduced. The amounts as determined would necessitate the levy of city taxes at the same rate as those of the past year.

Osborne & Kidd who had been employed to expert the books of the city officers, reported that all accounts had been found correct. The report, which gave a number of financial details, was referred to the finance committee.

In order that the city may be in a position to comply with the free mail delivery requirements of the postoffice department, the street committee was instructed to prepare a plan of systematic numbering for the houses of the city and the superintendent of streets was directed to proceed as rapidly as possible with the work of placing street signs at the various street intersections.

After allowing the usual list of monthly claims an adjournment was taken until Monday, August 31.

SAN BRUNO NOTES.

Judge John F. Davis was here yesterday calling upon the voters. He is the popular candidate for justice of the peace of the First township. He has held court here for the past two years and during that time has made many friends who know him to be an honest and fairminded judge. His vote here will be almost unanimous.
